Re: Reference on experience of working in licensed trade.

To Whom It May Concern:

This company has worked for me for the past nine years. During this time they have carried out a variety of small maintenance repairs, larger internal/external repair and redecoration work.

Some of this work has been carried out in and out of normal working hours were all possible safety precautions have been met to protect the public and staff on site at all times.

This company has this year become a preferred contractor with S&N Pub Enterprises due to its assessment on competency and H&S record.

Yours truly,

Philip Reed

PP Building Control Manager
